WHAT'S NEW IN OAKWOOD LAKES?

DAM REPAIR

By the time you read this newsletter, the dam repair should be completed or nearly completed. We are all looking forward to a much better summer on the lake this year!

BEACH TAGS BOAT DECALS

Any Beach tags and boat decals which have not been picked up will be delivered to residents who have paid their fees within the next few days.

All watercraft must have a current 2005 decal displayed on both sides in order to be in the water.

Every resident must have a current 2005 beach tag to use any of the private areas. Private areas include the beach, the lake, the playground, the picnic grove and the tennis courts.

CANOE RACK/BOAT TIE-UP

We are currently revising the Canoe Rack reservation list. The Racks have now been numbered and a space will be assigned to all residents using the canoe racks. Newcomers will receive

spaces on the top racks and will be able to move down as spaces become available. If you currently have a canoe on the racks, or if you are interested in a spot, please contact Vivian Gayol at 953-0279 for your space assignment. The canoe spaces are free of charge to residents in good standing.

LIFEGUARD

We have two lifeguards this summer, Joey Wilson and Paige Moyer, both Oakwood residents. The Lifeguards will work weekends until school is over, than 7 days a week until Labor day. Residents must wear beach tags at all times.

MESSAGE FROM THE EDITOR

For the past 4 years I have had the pleasure and honor of working with our very dedicated team of trustees to create the Oak Leaf. It has been a wonderful experience, however, other personal challenges are calling me. While I will still be around to help out in the community, this is my last newsletter. I would like to thank the many people who have helped me out with pictures, ideas and helpful tips.

We are in need of a new editor. It is a fun job that requires some computer skills. Newsletters are published 4 times a year, typically in January, March, June and September. If you are interested in working on the newsletter please contact one of your trustees. I would be happy to help you get started.
Thank You
Vivian Gayol
