What's New in Oakwood Lakes?

GENERAL MEETING

The Oakwood Lakes Community Associations annual general meeting was held on Tuesday, February 3rd at 7:30 pm. The meeting was attended by 13 residents and the trustees. The topics discussed at the meeting are contained throughout this newsletter.

GREEN THUMBS

The Green Thumbs, Oakwood Lakes Garden Committee, kicked off their season with a meeting held on Tuesday May 11th. The committee is always looking for new members. Committee members are asked to help as much or as little as their schedule will allow. All are welcome, young, old, male, female and of course the children. Please join them and help make our beautiful community blossom. You may help by donating time, money or materials needed.

Meetings are held twice monthly at the beach area:

The 2nd Tuesday at 10:30 am

The 4th Thursday at 6:30 pm

You need not attend all the meetings to help out.

For more information, or to sign up, please call chairperson June Fisher at 609-714-0518.

LIFEGUARD

A lifeguard will be on duty 7 days a week, 11am to 6pm, once school is over. Until that time, a lifeguard will be on duty every weekend and on Memorial day. You must wear your beach tag at all times.

BEACH TAGS AND BOAT DECALS

Beach tags and boat decals have been distributed to residents who have paid their fees. If you did not receive yours, please call Mary Ann Brookes at 953-4035.

All watercraft must have a current 2004 decal displayed on both sides in order to be in the water.

Every resident must have a current 2004 beach tag to use any of the private areas. Private areas include the beach, the water, the playground, the picnic grove and the tennis courts.

THANK YOU

We would like to thank our new trustees for volunteering their time to the Oakwood Lakes Association. Paul Liedtka, Alison Simpson and David Volpe.

Among several trustee duties, Paul will be working on the summer picnic. Alison will be working on Steak by the Lake and greeting new neighbors. David will be taking over the Oakwood Lakes web site, from Guenther Woehlert who will be leaving the neighborhood. Guenther designed and has maintained our website for two years. We are sorry to see him go. He did a great job. Thank you Guenther.

We would also like to thank Kathy Dempsey who has volunteered to be the new chairperson for the yard sale.

We would like to thank Ken Margulies for printing the Oak Leaf, free of charge, for the past 3 years. His generosity has allowed us to print a full color publication on premium paper. Since Ken is no longer able to do this, we have switched to a black and white format which is more suitable with our budget. We are still looking into all of our printing options. If anyone is able to help out with this process please call Vivian Gayol at 953-0279. In addition, if you would like the Oak Leaf e-mailed to you, please call one of your

trustees

Weeds and debris were removed from the beach

area, picnic grove, and tennis courts. A basketball hoop was added to the blacktop area. Thanks to all the residents who helped out on this day. Our community areas are now ready for summer enjoyment. Please remember to wear your beach tags at all times.
