Other Business

Please submit any proposals, comments, suggestions or trustee nominations to Mary Ann Brookes by March 16, 2016. Nominees must complete the trustee application (see box at left) and submit by March 16 to be included on the ballot and the nominator must appear at the meeting to formally nominate the candidate from the floor. Votes are one per property for those in good standing.

We look forward to seeing you at the meeting to support our terrific community!

Notices

Lake Lowering: our permit has been submitted to NJDEP, and we are hoping for two full weekends from approximately March 15 thru March 28, to clean up leaves, docks and lakebeds. We will post to the website and send an email to confirm.

Geese are congregating here. Please do what you can (legally!) to chase them away (some techniques that work are loud noises, laser pointers, and shooing them away) so they don't get used to making our lake their habitat and contaminating our water this summer.
