**Subject: Oakwood Updates: Beach clean-up moved to Sunday 5/2, sign-up here; Lifeguards needed, training coming up; Food Trucks coming; Activities update**

**Beach clean-up** is scheduled for next Sunday, May 2, due to the weather forecast, starting at noon. Old clothes, rakes, cleaning supplies and gloves will be the order of the day. With enough hands, we should be finished in a few hours. See the planned activities and sign up to participate here: [Open in Forms](#)

- Muckaway will be available for pick-up—bring a plastic coffee container or 1 or 2 one-gallon zip lock bags.

**Lifeguards** - needed for our summer season. We have one on board and would like a few more. If you know of a candidate, see the attachment for the upcoming schedule for local training / certification.

**Food Truck Nights** – several are being planned for Thursdays beginning in May into June. **First up will be Not Your Mamma's Tacos on Thursday, 5/13, beginning at 4:30.** Stay tuned for more details here and on our Facebook page.

**Some activity updates:**

**Speed Bump** – the Medford police conducted a speed study that we requested. The conclusion showed that an average of 800 cars passed through Oakwood Drive, but the average speed travelled did not exceed the limits required to justify installing a speed bump. However, the MPD has indicated they will be increasing patrols in the community and will be ticketing speeders.

**Beach Captains** – several residents have agreed to help out with oversight at our beach area. Be sure to wear your wristbands so they know you belong there.

**Oakwood Directory** – It's not a handy pamphlet this time, but will accommodate easy printing. Contact any trustee for a copy.

**Playground Maintenance** – thanks to residents Keith Pogoda and Carli Sosna for getting the playground kid-ready.

**Beach sand redistribution** will be completed in the first half of May.
